

**UBC Department of Family Practice
Clinical Faculty Appointments, Reappointments and Promotions**

PROMOTE to CLINICAL ASSOCIATE PROFESSOR - RESEARCH

The UBC Department of Family Practice believes it has the responsibility to its trainees, patients, the university and the public to ensure a hospitable climate and protection through departmental processes for teaching clinical faculty members. We wish to encourage teachers who are excellent mentors and role models.

At the time of consideration for promotion, all Clinical Family Practice Faculty will be asked to complete this form. Either the Faculty of Medicine or the Department of Family Practice appointment and promotion regulations require the following questions be answered. This material will be kept confidential and will not be shared other than with the Appointment and Promotions Committee and Faculty/Department administrators as is needed.
